

SCIO NORTH AMERICA

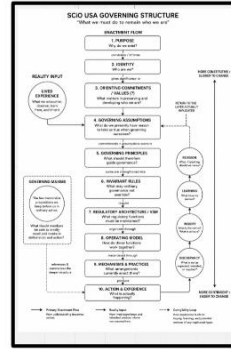

WE EXIST!

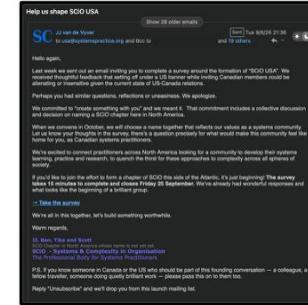

2026 UPDATES

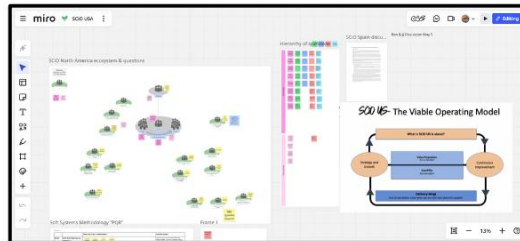

April: Four SCiO Members in the US start to explore starting a chapter.

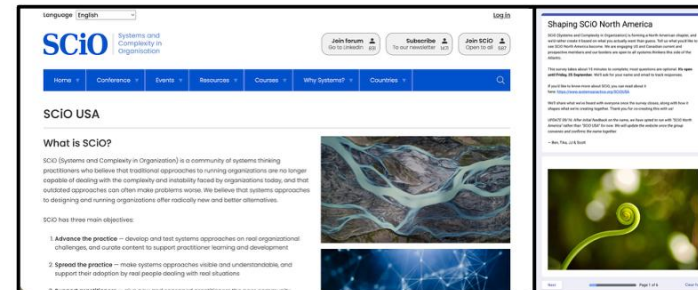

August: Core team creates a working hypothesis for governance, putting service & purposeful action at our core

September: We respond to feedback about inclusivity by revisiting the name, "SCiO North America" as working title until members decide collectively in October

May - July: A chapter founder is interviewed, stakeholders are mapped, models are discussed, a PQR is penned, a VSM takes shape

August: Website and Launch Survey are live, shared with over 50 current and prospective members, inviting inputs to envisioned "SCiO USA"

September: LAUNCH TOUR, exploring collaborative action with IFSR, other organizations and folks at SYSPRAC2026
